Not all programs are available in all states. Check with an Admissions Advisor. The following tuition and fee information applies to all students:

- Learning Center and campus students: A \$20.00 enrollment fee is due at the time this agreement is completed. If the applicant is not accepted for any reason excluding unsatisfactory results on a required criminal background check, or if the student cancels this contract within three business days, this fee will be refunded. Otherwise, it is nonrefundable.
- Active-duty military personnel are not eligible for Kaplan University scholarships, tuition vouchers, or discounts.
- Tuition and fees are subject to change after 30 days' advance notice. See the current University Catalog for an explanation of the Refund Policy.
- Tuition payments can be made at the following website: www.kaplanuniversity.edu. Log on to KU Campus and select the "Make Payment" link.
- A \$30.00 fee will be added for all returned checks.
- Tuition is payable in full every term.
- Failure to return library materials to Kaplan University or any of its partner libraries will result in a financial obligation to Kaplan University and may result in postponement of registration for a new term or graduation.
- Instructional materials must be returned unused within 14 days from the date the student notifies the University of cancellation of enrollment. The student will be responsible for payment of any bill received for instructional materials not returned.
- Upon enrollment, students must attest to high school graduation or equivalent. The University may require students to present actual proof of graduation or its equivalent as part of its verification process. If Kaplan University is required to obtain this proof of graduation on the student's behalf, there will be a

\$10.00 fee charged to the student's account.

- Students enrolled in EL 203: Portfolio Development will pay a \$1,500.00 portfolio assessment fee.
- A fee of \$50.00 is required for each Challenge Exam taken. In addition, a fee of \$25.00 per credit will be charged for the awarding of approved credit to the student's record.
- Students outside the United States or U.S. Territories will be responsible for the cost and the shipment of instructional materials including returns and payment of customs duties or fees.
- Students enrolled in the health science associate's degree programs are required to pay a one-time program fee. This fee may be paid using financial aid funds and can be incorporated into the student's monthly payment plan. The fee per program is as follows:
 - Associate of Applied Science in Health Information Technology: \$300.00
 - Associate of Applied Science in Medical Assisting: \$900.00
 - Associate of Applied Science in Medical Office Management: \$300.00
 - Associate of Applied Science in Medical Transcription: \$300.00
- Associate of Applied Science in Global Travel and Hospitality Management students will pay a \$90.00 fee to take the Travel Agent Proficiency test within TH 299: Associate's Capstone in Travel and Hospitality should they choose to take the test.
- Associate of Science in Nursing students will pay a clinical fee of \$300.00 per clinical course in the program. There are eight clinical courses in the program. Applicants to the Associate of Science in Nursing program are required to complete a preadmission test at an outside testing facility. The test administration fee is \$35 and is the responsibility of the applicant. The fee is nonrefundable.

Program	Credit Hours	Terms for a Full-Time Student	Total Tuition
Bachelor of Science	180	15	\$29,700.00

*Bachelor's completion program requiring 180 total credit hours. Upon evaluation of the student's official associate's degree or diploma transcript, the University will determine whether prerequisites or additional courses must be completed. Tuition does not include prerequisites.

[†]Bachelor's completion program requiring 180, 181, or 185 total credit hours depending on whether students choose to go on to the Master of Science in Nursing program and if they already possess a non-nursing bachelor's degree. Upon evaluation of the student's official associate's degree or diploma transcript, the University will determine whether prerequisites or additional courses must be completed. Tuition does not include prerequisites. Students will be charged undergraduate tuition for graduate-level courses required to complete the program.

[‡]Upon evaluation of the student's official associate's degree transcript, the University will determine whether prerequisites to the advanced start option must be completed. Tuition does not include prerequisites.

[§]The number of credits varies depending on individual state education requirements.
