### AWARD DESCRIPTION

- The Kaplan University Achievement Scholarship is equal to a \$750 per-term reduction in the program tuition, with a maximum value of \$12,750 toward a bachelor's degree or \$6,750 toward an associate's degree.

### GENERAL ELIGIBILITY CRITERIA TO QUALIFY FOR THE ACHIEVEMENT SCHOLARSHIP

- Must be a first-time enrollee in an undergraduate degree program at Kaplan University; continuing and certificate program students are not eligible.
- Must meet all Kaplan University admissions requirements for online undergraduate degree programs, including GED or high school equivalent, and be fully accepted into one of the Kaplan University online undergraduate degree programs.
- Must provide an unofficial or official transcript that confirms successful completion of at least 20 quarter credits (or the equivalent of 13 semester credits; for nursing students, an associate's degree in nursing or a nursing diploma) of prior postsecondary college-level coursework in a bachelor's or associate's degree program at an accredited institution other than Kaplan University.
- Must have achieved a cumulative grade point average (CGPA) of at least a 3.0 out of 4.0 on the submitted prior coursework.\*

### OTHER TERMS AND CONDITIONS

- The Achievement Scholarship application must be provided at or before the time of enrollment.
- Unofficial or official transcripts must be provided prior to the end of the fourth week of the first term to be eligible for the scholarship. If the transcript is not provided prior to the end of the fourth week of the first term, the student is not eligible for the Achievement Scholarship and will be responsible for all applicable tuition costs per Kaplan University policy.
- Students must take a minimum of two courses per term (for Bachelor of Science in Nursing students, one course in the term in which NU 300 is taken).
- The Achievement Scholarship cannot be used in conjunction with any other Kaplan University discount, voucher, grant, or scholarship.

### CONTINUED ELIGIBILITY REQUIREMENTS

- To remain eligible for future terms, students must maintain a CGPA of 2.5 out of 4.0 for all undergraduate degree programs, with the exception of the Bachelor of Science in Nursing program, where students must maintain a CGPA of 3.7 out of 4.0 for the duration of their program at Kaplan University to maintain the award. If the student was awarded the scholarship and does not maintain a 2.5 CGPA (3.7 for Bachelor of Science in Nursing students), he or she will not be eligible to receive the scholarship in future terms.
- The student must remain in good financial standing with Kaplan University.
- All required documents must be on file at Kaplan University for the Scholarship to be awarded.
- Must be continuously enrolled; students who withdraw or take a leave of absence will no longer be eligible for the Achievement Scholarship.

Note: Scholarship disbursement eligibility cannot be regained by the student once it is lost.

### APPLICATION PROCESS

- Applicants who do not meet the Scholarship eligibility criteria will be informed via email.

\*CGPA shall be assessed using a degree earned or courses taken at regionally or nationally accredited institutions as evidenced by the student's unofficial or official transcript(s) submitted to Kaplan University. Award of scholarship does not mean that submitted prior coursework is accepted for transfer credit toward a degree. To submit prior coursework for consideration as transfer credit toward completion of your Kaplan University degree, please refer to the Prior Learning Assessment policies and requirements.

Note: Kaplan University reserves the right to amend scholarship policies or awards, or discontinue granting scholarships to additional students at any time.
