Accelerated Scholars Award Application

To determine your eligibility for the **Accelerated Scholars Award**, you must have completed a minimum of one term at Kaplan University, be enrolled in 15 or more credits per term, and have a minimum CGPA of 3.0. It is not necessary to reapply for this scholarship each term as long as you maintain your eligibility. Active-duty military, veterans, and master's students are not eligible for this scholarship.

Please speak with the Financial Aid Office to discuss if and how the increased credit load could impact your financial aid packaging. Also, speak with them to understand what financial implications would apply if you fail to maintain a CGPA of 3.0 or above. Call your Academic Advisor to register for additional class(es).

Please fax this completed form to your Academic Advisor's attention. The form must be received prior to the start of the term.
