

Program Outcomes: Concord Law School

The below chart lists potential occupations for each program. The SOC Code is the number assigned to the occupation listed on a government website called O*NET. Note that the occupations listed for each program were generated by entering the program's CIP code into the O*NET government website. These occupations are listed for informational purposes only and although the institution will assist students with job placement, finding a job is the individual responsibility of the student. The institution does not guarantee that any student will be placed in any particular job, or at all. Some occupations listed may require additional experience or licenses to obtain employment in the field. In addition, any salary data listed on the O*NET website is based on national labor market data, and may not reflect starting wages or take into account regional differences in wages. *Data as of July 1, 2011.*
