Refer to the Refund Policy portion of the Financial Information Section within the school catalog for additional information regarding the schools policy on the refund of tuition and fees.

The calculation concerning federal financial aid is separate and distinct from the institutional refund policy. As a result of the federal calculation required by federal regulation, you may owe additional funds to the institution to cover tuition and charges previously paid by unearned federal financial aid prior to your withdrawal.

If you plan to withdraw from school, please contact your financial aid and business offices to determine the amount of funds, if any, which must be returned to the federal student aid programs on your behalf. Students should refer to the "Withdrawal from School" section of the school catalog for the steps that must be followed in order to officially withdraw.

All refunds due will be made within forty five (45) days of the student's effective withdrawal date. The last date of actual attendance is used in calculating any institutional refund amount. Refunds are allocated in the following order:

1. Unsubsidized Federal Stafford Loan
2. Subsidized Federal Stafford Loan
3. Federal Perkins Loan

4. Federal Parent (PLUS) Loan

The "Tuition and Fees Schedule" is an addendum to the school catalog.

The school is required to make changes in programs or policies when ongoing federal, state, or accrediting changes affect students currently in attendance.

Vaccination Policy

Specific programs of study may require students to adhere to a Vaccination Policy. Students should refer to the campus catalog for more specific program requirements.

Student Disclosures and Student Right-To-Know Act

- Completion/Graduation Rates
- Retention Rates
- Placement Rates
- Pell Recipient Diversity Data
- Median Loan Debt
- SOC Occupations
- Tuition and Fees

A different school of thought.®

Information related to these required disclosures will be distributed to all current and perspective students by July 1 each year via the school's website, intranet or in hard copy. Current and perspective students may request a copy of the disclosures at any time from the campus President, Director of Admissions or Director of Financial Aid.

Constitution and Citizenship Day (September 17th)

Institutions comply with the "Consolidated Appropriations Act, 2005." The law states that "each educational institution that receives Federal funds for a fiscal year shall hold an educational program on the United States Constitution on September 17 of such year for the students served by the educational institution." The law requires that Constitution Day be held on September 17 of each year, commemorating the September 17, 1787 signing of the Constitution. However, when September 17 falls on a Saturday, Sunday, or holiday, Constitution Day shall be held during the preceding or following week

The National Archives has a Web site with a scan of the U.S. Constitution available online at: http://www.archives.gov/national_archives_experience/charters/constitution.html

U.S. Voter Registration

Students may visit their local post office to obtain the required Voter Registration form and necessary requirements outline by their state or for a downloadable version of the form visit the U.S. Election Assistance Commission at <http://www.eac.gov/voter/Register%20to%20Vote>.

Drug and alcohol abuse prevention information

Federal regulation requires an institution that participates in any Federal Student Aid program to provide information to its students, faculty, and employees to prevent drug and alcohol abuse. Current and perspective students will receive a notice containing the specific URL address of the Campus Security and Drug-Free Campus/Workplace report. Current and perspective students may request a copy of this report at any time from the Campus President or Director of Financial Aid.

Campus security / Clery Act

Federal regulation requires an institution to compile an Annual Security Report disclosing the institution's security policies, procedures, and crime statistics on or before October 1st each year. Current and perspective students will receive a notice containing the specific URL address of the report. Students may request a copy of this report at anytime from the Campus President or Director of Financial Aid.

Prevention of financial aid/scholarship fraud

Every year, millions of high school graduates seek creative ways to finance the markedly rising costs of a college education. In the process, they sometimes fall prey to scholarship and financial aid scams. On November 5, 2000, Congress passed the College Scholarship Fraud Prevention Act of 2000 (CSFPA). The CSFPA enhances protection against fraud in student financial assistance by establishing stricter sentencing guidelines for criminal financial aid fraud. It also charged the Department, working in conjunction with the Federal Trade Commission (FTC), with implementing national awareness activities, including a scholarship fraud awareness site on the ED web site.

A different school of thought.®

According to the FTC, perpetrators of financial aid fraud often use these telltale lines

- The scholarship is guaranteed or your money back.
- You can't get this information anywhere else.
- I just need your credit card or bank account number to hold this scholarship.
- We'll do all the work.
- The scholarship will cost some money.
- You've been selected by a 'national foundation' to receive a scholarship' or 'You're a finalist,' in a contest you never entered.

To file a complaint, or for free information, students or parents should call 1.877.FTC.HELP (1.877.382.4357) or visit: www.ftc.gov/scholarshipcams
